### DESCRIPTION

Bar cabinet in limited edition, 88 pieces. Royal is a hand-crafted cabinet marked by details reminding a revisited *secrétaire* with shutter closure. The structure is marked by an elongated cylindrical shape with semicircular sides, which become also the base of the furniture. The bar unit is closed by two flexible doors that slide horizontally into the main structure, unveiling the working area completed by shelves and a large drawer for preparation tools. Always keeping a strong connection to Oriental influences and fashion inspirations, the cabinet is clad in a special weaving of paper and cotton reminiscent of a Japanese tatami and textured fabrics typical in Giorgio Armani's aesthetics. Inside, back-lit panels of gold-toned methacrylate add movement thanks to their particular motif, recalling marble veins and mother of pearl. Metal details are in light brass with a satin finish.
